WHY THIS ANALISYS?

Because we all need to understand our created purpose in order to fulfil our destiny.

At some point in time we all need to ask these important questions, "Why am I reacting the way I do?" "Why is this happening to me?" "Why do I keep having the same problems?" "Why am I so frustrated?" "Why do I struggle to say no to people?" These difficult but crucial questions, brings us closer to a better appreciation and understanding of ourselves and others. If these questions go unanswered, we become stuck in a continuous cycle, repeating the past over and over again. In order for us to understand our purpose (calling and election) we need answers to be able to comprehend the purpose of our being here. My hope is this; that this analysis will present to you the needed answers in order for you to receive a deeper understanding on **who you are** and **why you were created (destined to be)**.

And a brightness, as light, appeareth; rays, out of His hand,
hath He: and there is the hiding of His power. (Habakkuk 3:4)

For me personally the most important opinion of all: We read in the gospel of Tomas (Apocryphal/Apokriewe) (Pg 529) Yahushua (Yeshua) het gesê “Almal wat die betekenis van hierdie woorde ontdek, sal nooit doodgaan nie.” “Almal wat seek moet aanhou seek, totdat hulle kry wat hulle seek. Wanneer hulle kry waarna hulle seek, sal hulle ontsteld wees. Wanneer hulle ontsteld is, sal hulle verbaas wees, en dan sal hulle alles regeer.” “Die koninkryk is binne julle en ook buite julle. As julle julleself ken (Naam, karakter, salwing, guns, identiteit) sal julle geken word, en julle sal besef julle is kinders van die lewende Vader. Maar as julle julle self nie ken nie, sal julle in armoede leef, Ja julle sal self die armoede wees.”

Sow a thought and reap a deed;
Sow a deed and you will reap a habit;
Sow a habit and you will reap a character;
Sow a character and you will reap your eternal destiny.
(Solly Ozrovech)

Until you know yourself, your own strengths and weaknesses, you cannot succeed emotionally or spiritually. Self-awareness is the ability to think about yourself and your relationship with the world around you. In his book Emotional Intelligence, Daniel Goleman describes it as “an ongoing attention to one’s internal states.” It’s the ability to see how your emotions (heart) and perceptions (mind) are influencing your thinking and behaviour. This is important because, all things being equal, more people are undone by behavioural issues than by anything else. Our behaviour is a reflection of our thoughts. Yet very few people stop and think about what they think, how they think, why they do what they do and hence why they are here .

Your Name, Character, Birth Month, Gifts and Identity = (DNA) reveals YHVH’s purpose and destiny for your life. You have been released into the earthly realm with a clear and definitive purpose. We are all ordained ambassadors serving Father YHVH’s Kingdom. Our responsibility is to recognise and develop our given Character and Gifts and bring them to maturity. This analysis will enable you to do just that.

....for it is Elohim (God) who works in you, both to will and to work for His good pleasure. (Philippians 2:13)
....for it is YAHUVAH who energiseth within you both the desiring and the energising in behalf of His pleasure. (Philippians 2:13 - Aramaic)

In order to understand and be obedient to your Creators calling and design for your life, He has given you a unique Character and the necessary instructions and abilities (Name, Anointing, Gifts and Identity) needed to achieve this purpose – and it is all engraved in the palm of His hands.

(Psalm 139:1) O YAHVAH! Thou hast searched me and observed: 2) Thou hast observed my down-sitting and my uprising. Thou hast given heed to my desire from afar: 3) My path and my couch hast Thou examined, and all my ways Thou well knowest. 4) Surely there hath not been a word on my tongue, but behold! O YAHVAH, Thou hast observed it on every side. 5) Behind and before hast Thou shut me in, and hast laid upon me Thy hand: 6) Knowledge too wonderful for me! High I cannot attain to it! 7) Whither can I go from Thy spirit? Or wither from Thy face can I flee? 8) If I ascend the heavens, there Thou art! If I spread out hades as my couch, behold Thee! 9) If I mount the wings of the dawn, settle down in the region beyond the sea, 10) Even there Thy hand shall lead me, and Thy right hand shall hold me, 11) If I say, surely darkness shall cover me! Then night is light about me. 12) Even darkness will not conceal from Thee, but night like day will shine, so is the darkness as the light 13) For Thou didst possess Thyself of my reins, Thou didst weave me together in the womb of my mother. 14) I thank Thee, in that fearfully was my being distinguished, wonderful are Thy works, and mine own soul is observing them intently! 15) My substance was not hid from Thee, when I was skilfully figured in the lower parts of the earth. 16) Mine unfinished substance, Thine eyes beheld, and in thy book all the parts thereof were written, the days they should be fashioned! While yet there was not one among them. 17) To me then how precious have Thy desires become, O El! How numerous the heads of them! 18) I would recount them! Beyond the sands, they multiply, I rouse myself and am still with Thee. 19) Wilt Thou not O Eloah, slay the lawless one? Therefore, ye men of bloodshed, depart from me! 20) For they speak of Thee wickedly, Thy foes lift up their hand unto falsehood. 21) Do I not hate them who hate Thee O YAHVAH? And loathe them who rise up against Thee? 22) With completeness of hatred, I hate them, as enemies, have they come to me. 23) search me, O El, and observe my heart, try me and observe my cares; 24) And see if there be any idol-way in me, and lead me in a way age- abiding.
